Kamalo Sugar Co., Ltd. gram Outlined. On FRIDAY, July 13th, George W. Smith Chairman—Ball Likely to Be Omitted This Year - Sports, Literary

Exercises and Fire Works.

I will sell at Public Auction, by order of the Treasurer, Mr. Ouderkirk, sufficient of the following delinquent stock of the Kamalo Sugar Company Lt'd., to reim-burse the Company unless the delinquent assessments are paid at the office of the Ha-waiian Trust & Investment Co., L'td., Honolulu, H. I., before the day of sale, Hawaii's first Fourth of July as full fledged American Territory will be | NEW ENGLAND MUTUAL LIFE INcelebrated after the time honored custom which has given Honolulu a wide reputation for American enthusiasm.

The meeting of citizens called at the drill shed last evening was not as largely attended as usual, but there was a sufficient number to do the business in hand, set the ball rolling. George W. Smith, chairman of last year's committee called the meeting to order. Mr. Smith stated that he wanted it distinetly understood that he was not a candidate for this year's chairmanship. He had held the position for fifteen years and thought it about time a change was made. He particularly urged that the chairman be a representative Hawalian.

Before the meeting had time to consider the matter, T. McCants Stewart moved that it be the sense of the meeting that Mr. Smith serve another year. This motion was seconded and unanimously carried. Clarence Crabbe was elected accretary of the meeting.

In opening the business proceedings Mr. Smith announced the welcome news that there was \$975 in the treasury left over from last year. This was particularly cheering in view of the drafts made upon the community for recent celebrations.

Mr. Stewart moved that a committee of 21 be appointed by the chairman of which the chairman and secretary of the meeting should be ex-officio menbers. This carried and discussion passed to a general review of previous programs, and the events most advisable to include in this year's list. The discussion was as a suggestion to the committee. The general sense of the mee. ing was that the ball should be omitted as it was the most expensive feature of the day, and the Admission Day bail had just been held.

Mr. Stewart gave particular mention to the literary exercises. These should be made a special feature this year as many of our new American citizens were seeking instruction in foundation American principles. Mr. McCandless suggested that several eminent speak ers would arrive in the China in the persons of new Federal officers.

On motion of Ed Towse it was voted as the sense of the meeting that the Fourth of July program include salutes morning and evening, parade, literary exercises, sports and fireworks,

After the meeting Chairman Smith appointed the following general committee and sub-committees:

G. W. Smith and C. L. Crabbe, ex officio, W. G. Smith, treasurer; T. Mc-Cants Stewart, J. J. Kelley , W. G. Smith, W. R. Farrington, E. S. Gill, C. J. McCarthy, Wray Taylor, G. W. R. King, F. L.
